INDUSTRIAL RACKING

- Fully adjustable.
- Ideal for palletised goods.
- Cost-effective.
- High capacity storage.
- Low equipment & capital outlay.
- Optimised picking.

BOLTED SHELVING

- Fully adjustable.
- Loading capacity of 125kg per level.
- Ideal for office use, workshop, small parts & home storage.
- Available in galvanised (ideal for catering) or powdercoated.

PLASTIC STOREBINS

- Ideal for parts storage.
- Cost effective and highly organised.
- Robust and light.
- Available in different colours and sizes.

MINI RACKING

- When industrial is too heavy and shelving is too light, mini racking is the perfect solution.
- Ideal for loading capacities of between 700kg & 300kg per level.
- Incredibly cost effective.
- Fully adjustable.

PALLET JACKS

- Quality guaranteed.
- Swiftly move pallets around your factory floor.
- 2.5 ton double bogie.
- Don't be fooled by cheap imitations.

Duzi Storage
